## KEY GRADING CONSIDERATIONS

### Strengths

- ✓ Incorporated on 22nd April 2019, Ananda Foundation is a Section 8 company registered under the Companies Act 2013. It was formed with an equity share capital of Rs. 100,000 with 10,000 shares of Rs. 10 each. Ananda provides services in the state of Uttar Pradesh and organizes projects/camps across the state.
- ✓ The primary purpose of the NGO is to improve the standard of living of marginal communities through social welfare programs in the dairy business, education, women empowerment, water and natural resource management, innovative and organic agricultural practices & development, health and sanitation, and holistic rural development projects.
- ✓ Currently, it is led by S. M. Tripathi. With over 25 years of experience in the field of Dairy Industry and Rural Development, he has worked with esteemed organizations like Alfa Laval India Private Limited, DeLaval Private Limited, and ISF Industries Private Limited in the Sales and Marketing domain.
- ✓ The NGO also includes senior people who have been associated with locals and have knowledge regarding dairy management, breed improvement, and sanitation.
- ✓ Diversified donor base including PSUs, Corporations, and Individuals. Corporate donors include Ananda Dairy Limited, Dairy India Pvt Ltd, SBI Foundation, THDC India Limited, and ICICI Lombard Insurance Co Ltd, among others.
- ✓ Ananda has an MoU with IDFC First Bank for a project spanning till 2028, with conditions applied.
- ✓ Efficient utilization of donations with over 98% efficiency ratio (Considering an average of the last 4 years with FY23 as the latest year).
- ✓ Registered under the Companies Act and various provisions of the Income Tax Act
- ✓ Donations are Eligible under section 80G (50% exemption).

### Risk Factors

- ✗ High dependency on a single key donor (Ananda Dairy Ltd) for fundraising.
- ✗ NGO services are limited to the state of UP and some districts of MP.
- ✗ The projects are executed in association with local doctors/vets due to the nature of the projects undertaken. Thus, there are fewer permanent staff members which leads to high employee/staff turnover.
- ✗ Disclosures on public platforms can be improved in terms of details of donations received from local corporates and individual donors and persons benefitted.

6	Donation Received (Others)	33,09,490	32,22,656	12,09,023

#### **Comments:**

- Ananda Dairy Limited is a repetitive donor. Besides, donations are from well-diversified entities and include reputed corporates/trusts and individual donors.
- However, Ananda witnessed a fall in funding from other sources. In FY23, it saw a steep fall in fund flow.
- In FY23, Ananda received funding from multiple renowned entities. Depending upon the stage of various ongoing projects, the funding was received from the concerned donors accordingly.
- In FY24, the NGO entered in an agreement with IDFC First Bank for a dairy development program in 3-4 districts of MP with a funding support of Rs. 2,30,30,280.

#### **Future Plans:**

- To expand the network of donors including corporate donors, PSUs, government departmental funding, institutional funding, etc.
- Planning to expand to other cities/states as per the donor's requirement and when subsequent funding comes.
